kitchen gloves  
chopping board  
paring knife  
food processor or blender  
measuring cups  
fine grater  
chopping knife

## Do this

with these **ingredients**

- 
1. Wearing gloves, **remove** the seeds and white membrane of

1 **jalapeño**

- 
2. **Place** Into the processor or blender with

1 clove **garlic**, quartered

1 cup firmly packed **basil, spinach, or rocket**

½ cup finely grated **parmesan cheese**

½ cup **extra virgin olive oil**

½ cup **pinenuts, pepitas, or** chopped **walnuts**

- 
3. **Process or blend** until the desired consistency.

- 
4. **Transfer** to an airtight container and **store** in the refrigerator.
